

Summer Intensive

June 29-July 10

Includes access to the CLI* Summer 2020
Dance Experience—a \$99 value!

In the move to virtual classes for Summer 2020, we are excited that our students will have the opportunity to continue their training with instructors who know them, their history, and the progress they have made. This will be a continuation of their syllabus that they worked so hard to achieve—and will provide an important bridge to next year's syllabus.
